

	New Life Healthcare Dr. John Smith 132, My Street, Kingston, New York 12401.
--	---

Patient Name: Ms. Jane Doe

MRN:M1234

Mob-1234-09878-8800

Address- 13th Street, 47 W 13th St, New York, NY 10011

DIGNOSIS: (Type 1) Diabetes Mellitus /E10.9

Instruction: Should follow diet and exercise/oral medication/insulin through self-administration of injections multiple times a day via an insulin pen

CPT Code: 95249

CPT Description: Continuous Glucose Monitoring (CGM)

CGM Details:

=====

CGM Model : Dexcom G6

Sensor Duration-10 days

Frequency of use-Continuous

Notes: Ms. Doe has diabetes complications, such as neuropathy or retinopathy, which may cause nerve damage/vision loss/other limitations and substantially limits her ability to walk/see/care for herself/perform other life activities. As a result, it is my medical opinion that Ms. Doe needs CGM to get real-time updates. Please contact me if you have any questions.
